

School of the Spirit

The “School of the Spirit” is a 13 session study on the person and work of the Holy Spirit. The Godhead is made up of Father, Son and Holy Spirit. The most misunderstood and neglected person of the Trinity is the Holy Spirit. From Pentecost to the current day, the predominate person at work in believers, the Church and our world is the Holy Spirit. We call this study the “School of the Spirit” because our goal is to educate, edify and equip believers to be vessels of honor and use in the present “era of the Spirit.”
